21ST CENTURY SCHOOLS BOND ADVISORY COMMITTEE

MARCH 29, 2016 MEETING

PROJECT UPDATE YEARS 1 - 4 AND ACCELERATED SCOPE

GOB PROJECT UPDATE

Year 1

(68 Projects, including 1 advanced)

63 Substantially completed, including 6-12 Grade Addition at MAST on Virginia Key

5 In construction, including Miami Norland Senior High School replacement

GOB PROJECT UPDATE

Year 2 (79 Projects)

- 54** Under \$1M (SBE/MBE):
- 12 substantially completed
 - 39 in construction
 - 2 in design
 - 1 in final scoping

- 9** With values between \$1M and \$2M:
- 6 substantially completed
 - 3 in construction

- 16** Over \$2M:
- 10 in construction
 - 3 in bidding
 - 3 in design

GOB PROJECT UPDATE

Year 3 (54 Projects)

- 17** Under \$2M (includes MBE and SBE projects):
- 4 in construction
 - 13 in bidding or design

- 37** Over \$2M:
- 28 in design
 - Balance in A/E and CM selection stage

GOB PROJECT UPDATE

Year 4

(50 Projects and Accelerated Scope)

With values between \$1M and \$2M:

- 11** • All have been assigned to teams of architects and contractors; in scope validation

Over \$2M:

- 39** • Will advertise in bundled solicitations per delivery protocol previously presented to the Committee and beginning in Spring 2016 once the commissioning process for the remaining Year 3 large projects has concluded

197 Smaller accelerated projects (playgrounds, portable removal, roofing, air conditioning)

- 138 completed
- 22 in construction
- Balance in design or bidding

GOB PROJECT EXPENDITURES

Contracted (Millions)	\$29	\$50	\$58	\$72	\$100	\$46	\$97	\$110	\$118

ASSEMBLING A PROJECT (KENWOOD K-8 AS PROCESS PROTOTYPE)

DEFINING THE NEED

- The primary goal behind the November 2012 GOB referendum was to secure funding to address the most critical needs in existing facilities and to upgrade instructional technology in classrooms District-wide
- The need for renovations at each school was derived from a deficiencies database and the level of criticality assigned to each deficiency

DEFINING THE NEED

- Level of criticality was expressed as a Priority and then ranked from 1 (most critical) to 5 (least critical)
- This ranking was essential since the District's composite facilities need prior to GOB passage was estimated at approximately \$1.9B and the voter-authorized amount was \$1.2B, which included \$100M for technology

DEFINING THE NEED

- **Priorities 1 and 2 include the following :**
 - **Building envelope protection (windows, roofs, doors, structural soundness, waterproofing, etc.)**
 - **Safety to life requirements (e.g. fire alarm, PA, fire suppression)**
 - **Indoor air quality (e.g. HVAC, EMS, controls)**
 - **Critical electrical and plumbing upgrades**
 - **Security enhancements**

DEFINING THE PROJECTS

- Since passage of the GOB, the District's deficiencies database has been continually updated
- As deficiencies are corrected at each school they are documented in the database and likewise as new deficiencies are identified they are recorded
- Consequently, in certain instances, as GOB project scopes are validated prior to design, some of the original deficiencies no longer exist and/or additional critical needs have been identified

OVERVIEW OF SCOPE VALIDATION PROCESS

SCHOOL'S DEFICIENCIES LIST VALIDATED THROUGH SITE ASSESSMENT BY A/E AND CONTRACTOR (THIS INCLUDES INPUT FROM SCHOOL SITE ADMINISTRATOR AND RELEVANT DEPARTMENTS SUCH AS MAINTENANCE)

RECONCILIATION OF INITIAL LIST WITH FIELD CONDITIONS SUBMITTED FOR DISTRICT REVIEW WITH BUDGET INFORMATION

IN-HOUSE STAFF TEAM REVIEWS AND ACTS ON LINE ITEMS TO BE INCLUDED IN DESIGN. THE FOCUS IS ON ADDRESSING PRIORITIES 1 AND 2 AND STAYING WITHIN BUDGET

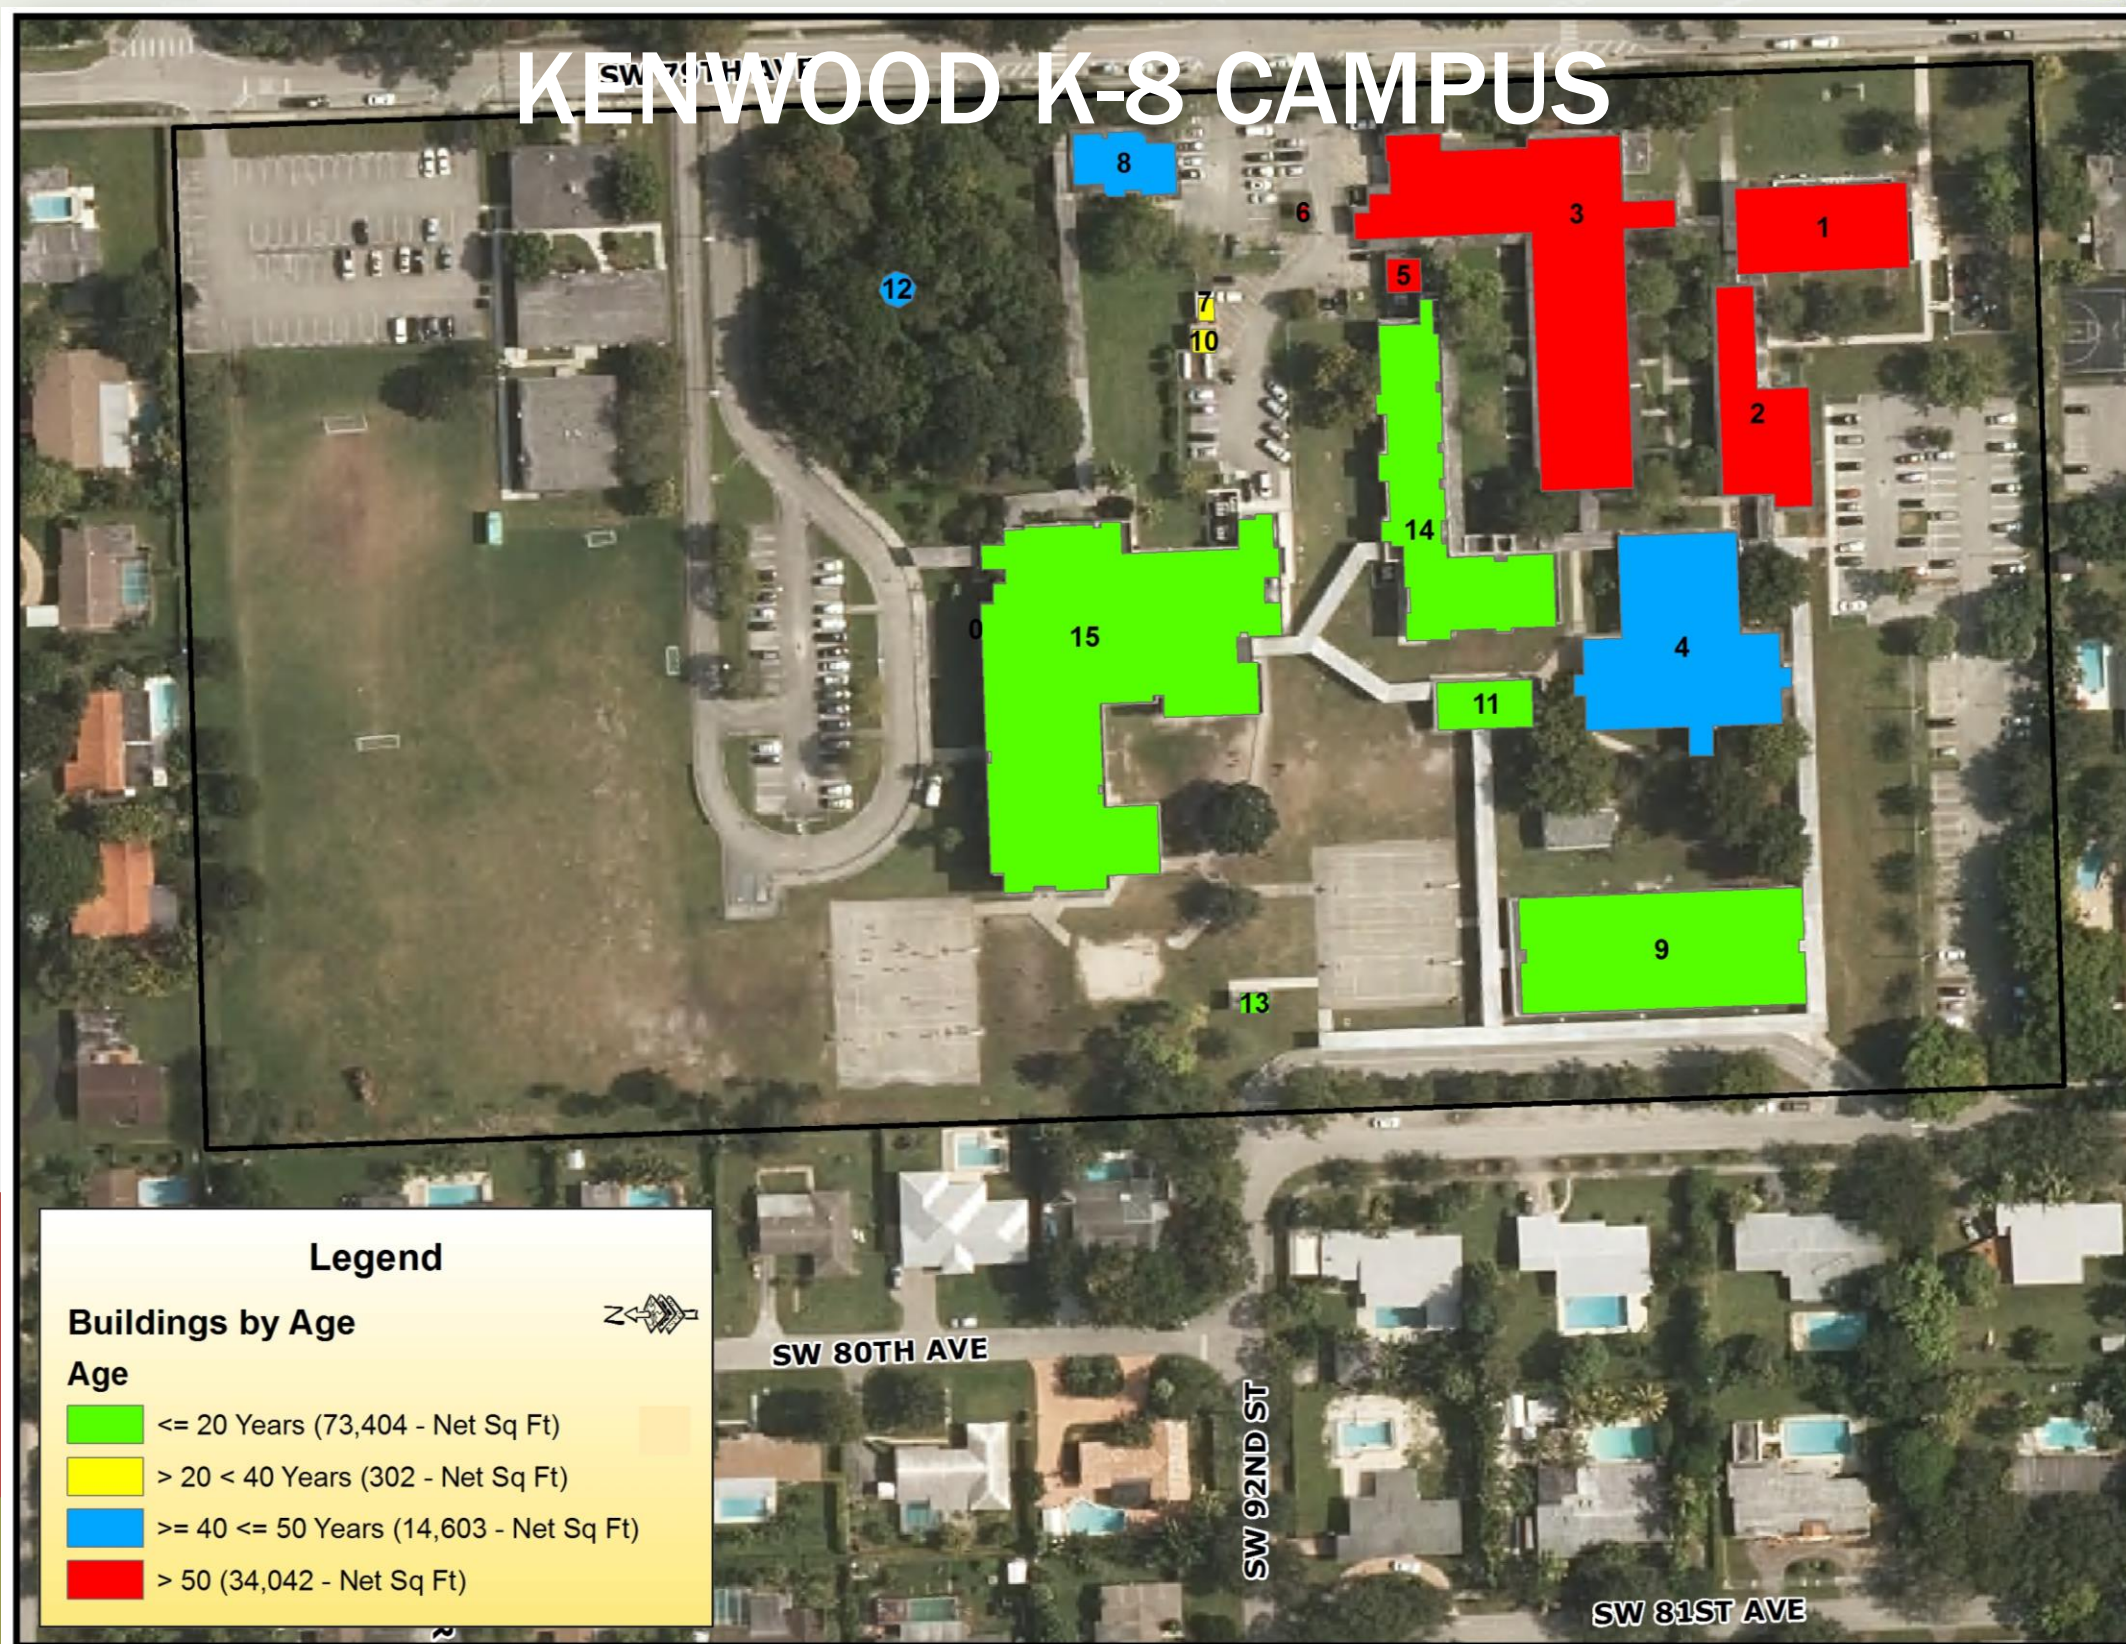

ALL OPTIONS CONSIDERED REFOCUSING EFFORTS ON A PORTION OF THE CAMPUS FOR MAXIMUM IMPACT (VS. PARTIAL RENOVATIONS IN ALL THE BUILDINGS, PHASING OPPORTUNITIES FOR FUTURE FUNDING, ETC.)

KENWOOD K-8 CAMPUS PROFILE

- **The Kenwood K-8 campus includes multiple buildings with over 100,000 square feet of operational area. Approximately 60% of the school is less than 20 years old**
- **The buildings reflect different styles and time periods, with the original historic building dating back to 1927 and the most recent addition built in 2004**
- **The school is at approximately 94% utilization (capacity of 1,139 student stations and student enrollment of 1,067) which means there will be little available swing space during the renovation process (schedule and budget implications)**

KENWOOD K-8 CAMPUS

KENWOOD K-8 DEFICIENCIES AND INVESTMENT

- **The current sum total of deficiencies for the school is approximately \$4.2M, including the \$3.3M allocated in the GOB**
- **Over the last 20 years, the school received \$14.8 M in improvements, including renovations and new construction**
- **As a result of substantial recent new construction as compared to the combined square footage of the older buildings, the Campus Facilities Condition Index (FCI) is under 20%**

PROJECT DEFINITION PROCESS

STARTING POINT

- Pre-GOB passage, descriptions of planned improvements were prepared and shared with the public
- These descriptions indicated proposed major building systems to be addressed based on Priority 1 and Priority 2 deficiencies contained in the District's database, at that time

School Number: **2701**
 School Name: **Kenwood K-8 Center**
 Year Opened: **1927** Board Member District: **Mr. Carlos L. Curbelo**
 Permanent Area: **106,173 Square Feet** Address: **9300 SW 79th Avenue, Miami, FL**
 School Capacity: **1139** County/Municipality: **Miami-Dade County**

August 31, 2012

General Obligation Bonds would fund the following improvements:

- Classroom Technology Upgrades
- Renovations of other buildings to include:
 - Air Conditioning and Heating Repair/Improvement
 - Restroom and Plumbing Renovation
 - Exterior Door/Window Repair/Replacement
 - Interior Wall, Ceiling/Flooring Improvement
 - Security/Surveillance Enhancement
 - Portable Removal (As Applicable)

Building a Pathway to the Future
www.dadeschools.net

PROJECT DEFINITION PROCESS

NEXT STEP

- After GO Bond approval, each school was allocated funding based on estimated costs of addressing Priority 1 and Priority 2 deficiencies
- The school by school funding allocations were then included in the Board's Capital Plan for each year of the GOB Program

Locked	ID	Campus	Building	Floor	Room	Deficiency	Quantity	Unit	Cost

PROJECT DEVELOPMENT

- Once architect/contractor team is commissioned, the deficiencies list and budget are reviewed based on site validation and assessment
- The team works collaboratively to identify best approach to address deficiencies from cost and schedule perspective, inclusive of value engineering and constructability

PROJECT DEVELOPMENT

- The effort results in a Scope Validation and Estimate of Probable Cost document for the District's review and approval prior to commencing design
- That document also lists items identified as part of the scope validation process that may not be doable within the available budget. Where feasible, such items are approved to be designed as 'alternates' and prioritized accordingly

THE PROJECT DEFINITION PROCESS

Kenwood K-8 Center
Project No. 01434400

Address : 9300 SW 79TH AVENUE MIAMI, FL 33156
Principal: Rudy Rodriguez
Year Built: 1927
A/E: Nyarko Architectural Group
CM: Veita Padron Inc

56		Termite treatment	436	LF	\$11,500	\$11,500	
57		ADA Lift			\$25,500	\$25,500	
57.01		Stage Door Need replacement to accommodate ADA Lift			\$2,500	* \$2500	* New Item added during walk-thru on 3-9-2016
58		Individual restrooms replacement fixtures/finishes beyond their useful life(6)	36	SF	\$35,100	\$35,100	
59	New Scope	Replace fuse panel with breaker panel in offices			\$1,500	\$1,500	
60		Reconfigure Clinic restroom to meet ADA	36	SF	\$10,000	\$30,000	
61		Provide sound and audio system in cafeteria			\$20,000	\$20,000	Deduct Alternate #1
62		Removal of non-operation ceiling mtd. Heater and cap lines at wall. 10 classrooms, 4 in cafeteria			\$2,800	\$2,800	
63		Blocking in communication louvers from classrooms to hallway, (humidity causing mold in the hallways)	300	SF	\$18,000	\$18,000	
64		Construct and installation of wardrobe closets.	60	LF	\$15,000	\$15,000	
65		Cafeteria has bad acoustics, perform acoustical tests and provide acoustic panels			\$5,600	\$5,600	Deduct Alternate #2
66		Remove of all existing A/C wall units, blocking, patching and paint to match adjacent surface.	1			\$2,000	

KENWOOD K-8 PROJECT – PRELIMINARY SCOPE

Buildings 1 (Built 1927), 2 (Built 1951) and 3 (Built 1954)

- New windows
- New partitions and sound attenuation (Bldg. 1)
- New HVAC (including kitchen)
- Restroom renovations
- Select flooring, ceiling and lighting upgrades
- Sound and audio system in cafetorium
- ADA retrofits (including stage lift)
- Cabinetry
- Serving line upgrade in cafeteria
- Painting
- Relocate data network equipment (to be funded from technology)

KENWOOD K-8 PROJECT – PRELIMINARY SCOPE

Building 4 (Built 1970)

- New HVAC
- Restroom renovations
- Lighting upgrades
- Door replacement (mechanical room)

Building 8 (Built 1969)

- New HVAC
- Restroom renovations
- Lighting upgrades

Building 14 – Media (Built 1997)

- Flooring replacement
- Roofing
- Data drops

Site/Misc. (alternates)

- Synthetic turf in field
- Shade structure over playground
- Covered walkway

KENWOOD K-8 PROJECT – PRELIMINARY SCOPE

Preliminary List of “Below the Line” Items

- Cafeteria furniture
- Replacement of AC units in Bldg. 9
- Additional flooring in Bldg. 3
- Flooring replacement in Bldg. 9

Certification Application: Available Applications

WARNING: This module is currently being tested. Do NOT continue unless you are a member of the testing team. All other submissions will be deleted.

MDCPS's Supplier Diversity and Compliance Management Program

Welcome to MDCPS's Online Certification Application!

Thank you for your interest in doing business with Miami-Dade County Public Schools (M-DCPS). Utilizing this system, you are able to complete and submit a Small Business Enterprise, Micro Business Enterprise and/or Minority/Women Business Enterprise online application. Our applications are streamlined and this is the first step in navigating the procurement process.

Our programs promote the development and growth of Small, Micro and Minority/Women Business Enterprises, and to ensure we provide the maximum opportunity to do business with the School Board of Miami-Dade County, Florida.

The Small and Micro Business Enterprise Program provides a race and gender-neutral process designed to encourage greater availability, capacity development and contract participation in School Board contracts. The Minority/Women Business Enterprise Program is a race and gender conscious program designed to increase participation of our targeted certification categories.

You can electronically apply for the following certifications:

- Small Business Enterprise (SBE)
- Micro Business Enterprise (MBE)
- Minority/Women Business Enterprise (M/WBE)
- Interlocal/Partnership Certification Recognition (M/WBE)
- Interlocal/Partnership Certification Recognition (SBE)

If you have any questions or need help while completing the application, please contact the Office of Economic Opportunity at 305-995-1307 or email oeo@dadeschools.net.
